Attention: Mr. Anthony Fazio, ARM-1

Subject: ARAC System Design and Analysis Working Group Report –
25.1309

Reference Letter: FAA to C. R. Bolt dated May 10, 2001

Dear Tony,

In accordance with the reference letter, the Systems Design and Analysis Working Group has completed its review of the proposed NPRM and AC for 25.1309. Attached are the Working Group recommendations which were approved by TAEIG.

Sincerely,

C. R. Bolt
Assistant Chair, TAEIG
